Access and correction of personal information

Under the Commonwealth Privacy Act and the Health Records Act 2001 (Vic.), an individual has the right to obtain access to any personal information which OLR Kyneton holds about them and to advise the school of any perceived inaccuracy. Pupils will generally be able to access and update their personal information through their Parents, but older pupils may seek access and correction themselves.

There are some exceptions to these rights set out in the applicable legislation.

To make a request to access or update any personal information OLR Kyneton holds about you or your child, please contact the School Principal in writing. Consent and rights of access to the personal information of pupils

OLR Kyneton respects every Parent's right to make decisions concerning their child's education.

Generally, OLR Kyneton will refer any requests for consent and notices in relation to the personal information of a pupil to the pupil's Parents. OLR Kyneton will treat consent given by Parents as consent given on behalf of the pupil, and notice to Parents will act as notice given to the pupil.

As mentioned above, parents may seek access to personal information held by OLR Kyneton about them or their child by contacting the School Principal. However, there will be occasions when access is denied. Such occasions would include where release of the information would have an unreasonable impact on the privacy of others, or where the release may result in a breach of OLR Kyneton's duty of care to the pupil.

OLR Kyneton may, at its discretion, on the request of a pupil grant that pupil access to information held by OLR Kyneton about them, or allow a pupil to give or withhold consent to the use of their personal information, independently of their Parents. This would normally be done only when the maturity of the pupil and/or the pupil's personal circumstances so warranted.
