Hello Lovely People,
The McAdie Family need our help and support at the moment. Sarah is currently 20 weeks pregnant and on 'bed rest' - she is only allowed to go to work a couple of days a week. The rest of her time is to be spent resting - and with 3 little ones at home, we all know how 'restful' that can be!!

I approached Sarah about setting up the 'Take Them A Meal' schedule and at the moment it is for one day a week on Wednesday's - the days will most likely be increased down the track.

There will be an Esky left in their carport to leave meals for the family. Drive straight up the driveway to the end of the house and the carport is on the left. There is plenty of room to turn around on the property at the back of the house.

Thank You Wonderful People. Your support warmly received.

The Prep children have been reading the wonderful story "The Gruffalo". Look at the amazing art work we have created of the setting. The story is set in a deep, dark wood. The character puppets are sitting in their habitats waiting to try and eat the mouse. We recommend everyone read the story - it is great!
