An Autumn Greeting!

"Come," said the Wind to the Leaves one day.
"Come over the meadow and we will play.
Put on your dresses of red and gold.
For summer is gone and the days grow cold."

by Leanne Guenther
MOTHERS’ DAY

Our Lady of the Rosary will be asking families to bring $4 for each child so that your child will be able to purchase a gift for their mother for Mother’s Day on Friday 9th May.

The idea is to help encourage children to think of others and especially be thankful and grateful for their own mother, grandma, or primary caregiver. The idea of purchasing is not just a very exciting and fun thing for your child to do, but it also teaches them about caring for others, dealing with money, communication skills, and thinking about what the ‘other’ person may like as a gift.

The gifts OLR have selected this year come from Oxfam. For those who don’t know, Oxfam is a development organisation that promotes social justice and reducing poverty by working with communities around the world. Oxfam have been working with communities in need for more than 50 years, and they provide people with the skills and resources to help create their own solutions to poverty. They reach 7 million people in 39 countries across the world.

The Oxfam Mother’s Day gifts are fair trade, made out of recycled goods, and most importantly, made by people in countries where they may be less fortunate than people in Australia. The people who make these gifts make them by hand and with a lot of attention to detail.

We hope all the mothers and grandmas who receive their more meaningful Mother’s Day gift from their child, enjoy that gift a bit more, knowing they are also helping families in another country.

Thankyou so much for your support.
Parents and Friends’ Committee
