**Exciting times:** The Our Lady of the Rosary Fete with its rich history and community focus, continues to be an important event in the Parish and school calendar.

This year, a small committee has been formed to build upon the wonderful work of coordinators and volunteers past. Our sincere thanks go to Tanya Stocker who has worked tirelessly in the coordinator role for the past 2 years. We’re planning a new look and introducing some new ideas but in order to make this event the very best it can be for the whole community, we need your honest feedback. You can complete the survey anonymously however if you do provide your details, every person who completes the survey will be emailed a $5 voucher to spend at this year’s fete. Your details and/or comments will not be shared unless you indicate otherwise. Free fairy floss anyone? If you have any queries regarding the fete or survey, please contact Karen Brooks on info@lifessweet.com.au or any member of the committee: Cameron Atkins, Joedy Brown or Gillian Romeijn.

A Heck of a Time

The school concert is coming around very quickly! This year every child will be participating in four performances which will be:

- Wednesday Sept 3  11.30am    7.00pm
- Thursday Sept 4  11.30am    7.00pm

The concert will be at SHC Theatre and tickets can be purchased online via a Trybooking on our school website. The theatre only seats 280 people per performance and there is allocated seating. Due to fire regulations we are not able to have anyone standing around the theatre, so you must have purchased a seat to attend. Please note the children performing do not need to have a ticket!! Tickets are only for spectators!

I have included a list of class songs and costumes required for the concert. We have tried to keep things as simple as possible!

The children will be returning to the drama room (which is on your left as you enter the theatre), after their performance. We are therefore very happy to have the younger children go home straight after their performance, on the nights that their parents are not watching the show. I have included pick up times for the younger grades, for parents who would like to collect them before the end of the show. Otherwise, they will be supervised in the drama room by teachers until the completion of the show, when we ask parents to personally come and collect their children.

On the matinee performances, younger classes will be returning to school straight after their performance, unless parents feel that they are too tired to do so and wish to take them home to rest. If this is the case, I have included suggested pick up times for each class. I have tried to estimate these as best I can!

We ask that children arrive at the theatre at 6.30pm for the evening performances and we are estimating that the concert will finish at around 8.45pm.

As usual Top Hat Productions will be filming both of the evening performances and so we ask that there are no other cameras or videos in the theatre please. We have included a DVD order form for you if you wish. If you have any other queries or concerns could you please see either your class teacher or myself.

Thanking you,
Helene Mangan

Reminder:
If you received an Insight SRC Survey please return by Wednesday August 13.
